

TRAINING FOR HEALTHCARE PROFESSIONALS

Walsall College recognises that continuous professional development is vital to those working as support staff in the healthcare sector, we have a wide range of apprenticeships and distance learning courses that are designed to enhance the expertise of staff.

Qualifications are available from level two through to degree-level, so there's something for everyone to study.

Apprenticeships

We have a range of apprenticeships that can help your employees:

Course	Level	Duration
Healthcare Support Worker	2	12-18 months
Healthcare Support Workers (HCSWs) work as part of a team providing high quality and compassionate care to individuals.		
Adult Care Worker	2	12 months
Adult Care Workers are the frontline staff who help adults with care and support needs to achieve their personal goals and live as independently and safely as possible, enabling them to have control and choice in their lives.		
Pharmacy Services Assistant	2	12 months
The Pharmacy Services Assistant (PSA) works under the supervision of a Pharmacist, Pharmacy Technician, or other accountable healthcare professional. The PSA provides a variety of pharmacy and medicine services to patients, the public and other professional healthcare teams.
